ARTICLE III

GRIEVANCE PROCEDURE

3.1 DEFINITIONS

- A. A grievance is any claim by Association or an Employee that there has been a violation, misinterpretation, or misapplication of the terms of this agreement.
- B. All the time limits shall be employment days except during the summer recess when days shall mean those when the business office shall be operating.
- C. One (1) Association representative shall have the right to be present and to represent the Association at any meeting, hearing, appeal or other proceedings relating to a grievance which has been formally presented. Nothing contained herein shall be construed as limiting the right of any Employee having a grievance to discuss the matter informally without intervention of the Association, provided the adjustment is not inconsistent with the terms of this agreement.

3.2 PROCEDURE

The parties hereto acknowledge that it is usually most desirable for an Employee and his/her immediately involved supervisor to resolve problems through free and informal communications. When requested by the Employee, the building representative may accompany the Employee to assist in the informal resolution of the grievance. If, however, such informal processes fail to satisfy the Employee or the Association, a grievance may be processed as follows:

- A. The filing of the grievance at this step shall be no later than fifteen (15) days following the occurrence complained of as the basis for the grievance or within fifteen (15) days of when the occurrence may reasonably be ascertained. The Employee or the Association may file a grievance in writing, on the form provided in Appendix B, to the supervisor immediately involved who will arrange for a meeting to take place within four (4) days after receipt of the grievance. The Association's representative, the aggrieved Employee and the immediately involved supervisor shall be present for the meeting. The supervisor shall provide a written answer to the aggrieved Employee and the Association within ten (10) days after the meeting. This answer shall include the reasons for the decision
- B. If the grievance is not resolved at step #1, then the Association and/or the Employee shall refer the grievance to the Superintendent or official designee within six (6) days after receipt of the step #1 answer or within eleven (11) days after the step #1 meeting, whichever is the later. The Superintendent shall arrange for a meeting to take place within five (5) days of his/her receipt of the

appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing, the Superintendent shall have ten (10) days in which to provide his/her written decision with reasons to the Association or Employee.

- C. If the Association is not satisfied with the disposition of the grievance at step #2 or the time limits expire without the issuance of the Superintendent's written reply, the Association may submit the grievance to final and binding arbitration. The American Arbitration Association shall act as the administrator of the proceedings. If a demand for arbitration is not filed within thirty (30) days of the date for the step #2 answer, then the grievance shall be deemed withdrawn.
- 1) Neither the Board nor the Association shall be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party.
 - 2) The arbitrator shall have no power to alter the terms of this agreement.
 - 3) The arbitrator is empowered to include in any award such financial reimbursements or other remedies as he judges to be proper.
 - 4) Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and of the AAA shall be divided equally between the Board and the Association.
 - 5) If either party requests a transcript of the proceeding, the party shall bear the full costs for that transcript. If both parties order a transcript, the cost of the transcript shall be divided equally between the Board and the Association as well as the cost of the copy of the transcript to be furnished the arbitrator.

3.3 BYPASS TO ARBITRATION

If the Association and the Superintendent agree, step #1 of the grievance procedures may be bypassed and the grievance brought directly to step #2.

3.4 CLASS GRIEVANCE

Grievances involving more than one Employee at more than one building or more than one supervisor at more than one building and grievances involving an administrator above the building level may be initially filed by the Association at step #2.

3.5 NO REPRISALS

No reprisals of any kind shall be taken by the Board or the administration against any employee because of his/her participation in this grievance procedure.

3.6 RELEASED TIME

Should the processing of any grievance requires that an Employee or an Association representative be released from his/her regular assignment, (s)he shall be released without loss of pay or benefits.

3.7 FILING OF MATERIALS

All records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

3.8 GRIEVANCE WITHDRAWAL

A grievance may be withdrawn at any level without establishing precedent and shall be treated as though never filed.

3.9 GRIEVANCE ACCESS TO INFORMATION

Upon reasonable written request from the Association, the Board shall provide a copy of public information necessary for the Association to process a grievance, provided reasonable cost of reproduction of any such copy shall be borne by the Association.

ARTICLE IV

The Board retains the right to by-pass general progressive discipline steps, as outlined below, when deemed necessary by the Board in its sole and exclusive discretion.

In most cases involving misconduct and/or performance concerns, discipline will progress as follows:

- An oral warning/notification
- A written warning/notification, which is signed and dated by both the employee and the administrator
- Suspension(s) with or without pay, in accordance with Board Policy
- Dismissal

Should the administrator choose to issue formal discipline, as outlined above, the employee shall be provided written notice as soon as reasonably possible.

In some cases, a more severe form of discipline, including dismissal or a combination of disciplinary actions, may initially result if the misconduct is serious in nature. Upon conclusion of the investigation, findings will be shared with employee and union representative.

EVALUATION

9.1 PURPOSE OF EVALUATION

The primary purpose of Employee evaluation shall be the improvement of employment skills.

9.2 EVALUATION PROCEDURE

Employees will be evaluated by their building administrator or immediate supervisor on an annual or biennial basis. During the first four years of employment, Employees will be evaluated on an annual basis. After the fourth full year of employment, employees shall be evaluated on a biennial basis, at a minimum. Should there be concerns with the performance of any employee, the administration may initiate the evaluation process.

A probationary employee who was employed on or before September 15 of the school year shall receive a mid-year review during the month of December or January of the probationary year. Certified staff members who work directly with the employee shall provide feedback for the review; however, the building administrator(s) remains the primary evaluator.

Information regarding the evaluation process, the evaluation tool that will be used, and who will be participating in the evaluation process shall be shared with the employee no later than October 1st. Teachers partnering in the evaluation process shall work directly with the instructional assistant during the course of the year.

For the evaluation of instructional assistants, certified staff will provide input during the evaluation process, partnering with the administrator to provide meaningful feedback to the instructional assistant. Information regarding the responsibilities for evaluation of instructional assistants will be provided to the certified staff no later than October 1st. Certified staff members partnering in the evaluation process shall be listed on the evaluation form, however, the building administrator(s) remains the primary evaluator and will sign the written evaluation document accordingly.

Written evaluations will be provided on the appropriate document for each job classification and will be completed prior to May 15th. The evaluation will be discussed with the Employee, and the written report will become a part of the Employee's personnel file.

The final evaluation conference shall not be the first time that an Employee learns about any areas of concern that could yield a rating of "needs improvement" or "unsatisfactory." If a primary evaluator believes that the Employee is performing below an acceptable

level, a meeting shall be held to discuss the concerns and steps for improvement. After this meeting has occurred, if a primary evaluator believes the Employee continues to perform below an acceptable level the concerns shall be identified through the evaluation document, along with the reason(s) and any suggestions a supervisor may have for improvement or remediation. For an Employee who receives an “unsatisfactory” rating on his/her evaluation, the administrator shall schedule a follow-up meeting to discuss progress toward improvement within the first trimester of the next school year.

9.3 EMPLOYEE'S RIGHT TO RESPOND

Following the post-evaluation conference, the Employee shall sign and be given a copy of the evaluation report prepared by the evaluator. In no case shall the Employee's signature be construed to mean that he/she necessarily agrees with the contents of the evaluation, only that they have been discussed. An Employee may submit additional comments to the written evaluation if he/she so desires within 10 calendar days from the receipt of the written evaluation. The Employee's comments are to be placed in the Employee's personnel file.
